Subject: Kelly - Inventory Control Admin Opportunity

Kelly Services has an immediate opening for an Inventory Control Admin in South Reno. Must have strong working knowledge of warehouse processes and excellent customer service skills, as you will be the point of contact for customers in a 3PL environment. Proficiency with Microsoft products and ability to quickly learn warehouse management software is required, along with a minimum education of High School Diploma or GED. Starting pay is \$16.00 per hour.

Interested candidates may send their resume to 3921@kellyservices.com for consideration, or call us at 826-1611 for more information.

Thank you!
